

# 11<sup>th</sup> Annual Greensboro Airport Rotary Club Golf Marathon for Charity

On May 8, 2008 the members of the Airport Rotary Club will rise before dawn and head out to the Country Hills Golf Club to challenge the elements and the course for 100 holes of MARATHON golf. That's right...these individuals will again attempt to play 100 holes in a single day. The reason we perform this annual ritual is not because of our love of the game (in fact you don't even want to see a golf club or golf ball for a month afterwards), but because we want to help make a difference in the community we live in. We need **YOUR** help to continue to make these once-a year important events a success. Our prior fundraising marathons have raised almost \$236,000 for local charities over the last ten years. Some of the local organizations that have benefited from our fundraising activities include the Greensboro Urban Ministry, the Greensboro Children's Museum, Sanctuary House, NCCJ Face-To-Face, the American Red Cross, Neighborhoods United and Guilford County Kid's Voting. One of our proudest achievements is having been able to provide funding to assist the Bell House and Impact Squared, a program which trains handicapped adults to become Certified Nursing Assistants, filling a chronic shortage in this specific primary care need. In fact, as our primary beneficiary they Impact Squared will receive half of our net proceeds from this event. I have enclosed some information about Impact Squared and all the good work they do. Our goal this year is to raise at least \$38,000 in this, our only fundraising event of the year.

As a member of the Greensboro Airport Rotary club, not only am I participating in making this event an overwhelming success with my personal commitment of time to play or help in the event, but I have also made a personal monetary pledge and am asking you for your help too. I would like for you or your Company to consider sponsoring my efforts in this event by making contribution to this fundraising event. We also have Company Hole Sponsorships available.

**YOU CAN PLAY TOO!!** We have approximately 15 spots available for non-club members to play with us and then enjoy fellowship, entertainment, reverse raffle and dinner that evening after we're done.

Times are busy for all of us, so if I don't hear from you in a few weeks, I'd like to call you for your response. We do this for a lot of reasons, but the most basic reason is because of a genuine desire to make the community we live a better place. We need your help to do that. Thanks for your assistance in this important event.
